**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

When a neighbor told me I had an alternative to Comcast internet service using Sonic, I jumped at the opportunity. If the FCC intends to further obstruct competition it will only serve to further limit consumer choice I strongly suspect someone will benefit monetarily from your actions if it indeed restricts our options. Please keep consumers in mind when making these judgments!
